Axolute nasce da un'idea rivoluzionaria, per sua natura vive di ricerca e innovazione, esplorando con passione l'immenso mondo creativo contemporaneo: un mondo fatto di luce, materia, idee, logica, spazio, equilibrio, persone.

Ora è qui per raccontare il suo percorso attraverso gli elementi, inseguendo nuova ispirazione, materiali eterni, plasticità inattese.

Axolute was born out of a revolutionary idea and lives by its very nature on research and innovation, exploring intensively the contemporary creative world: a huge world made of light, matter, ideas, logic, space, balance and people.

Now Axolute is here to resume its journey through elements, seeking new inspiration, long lasting materials and unexpected plasticity.

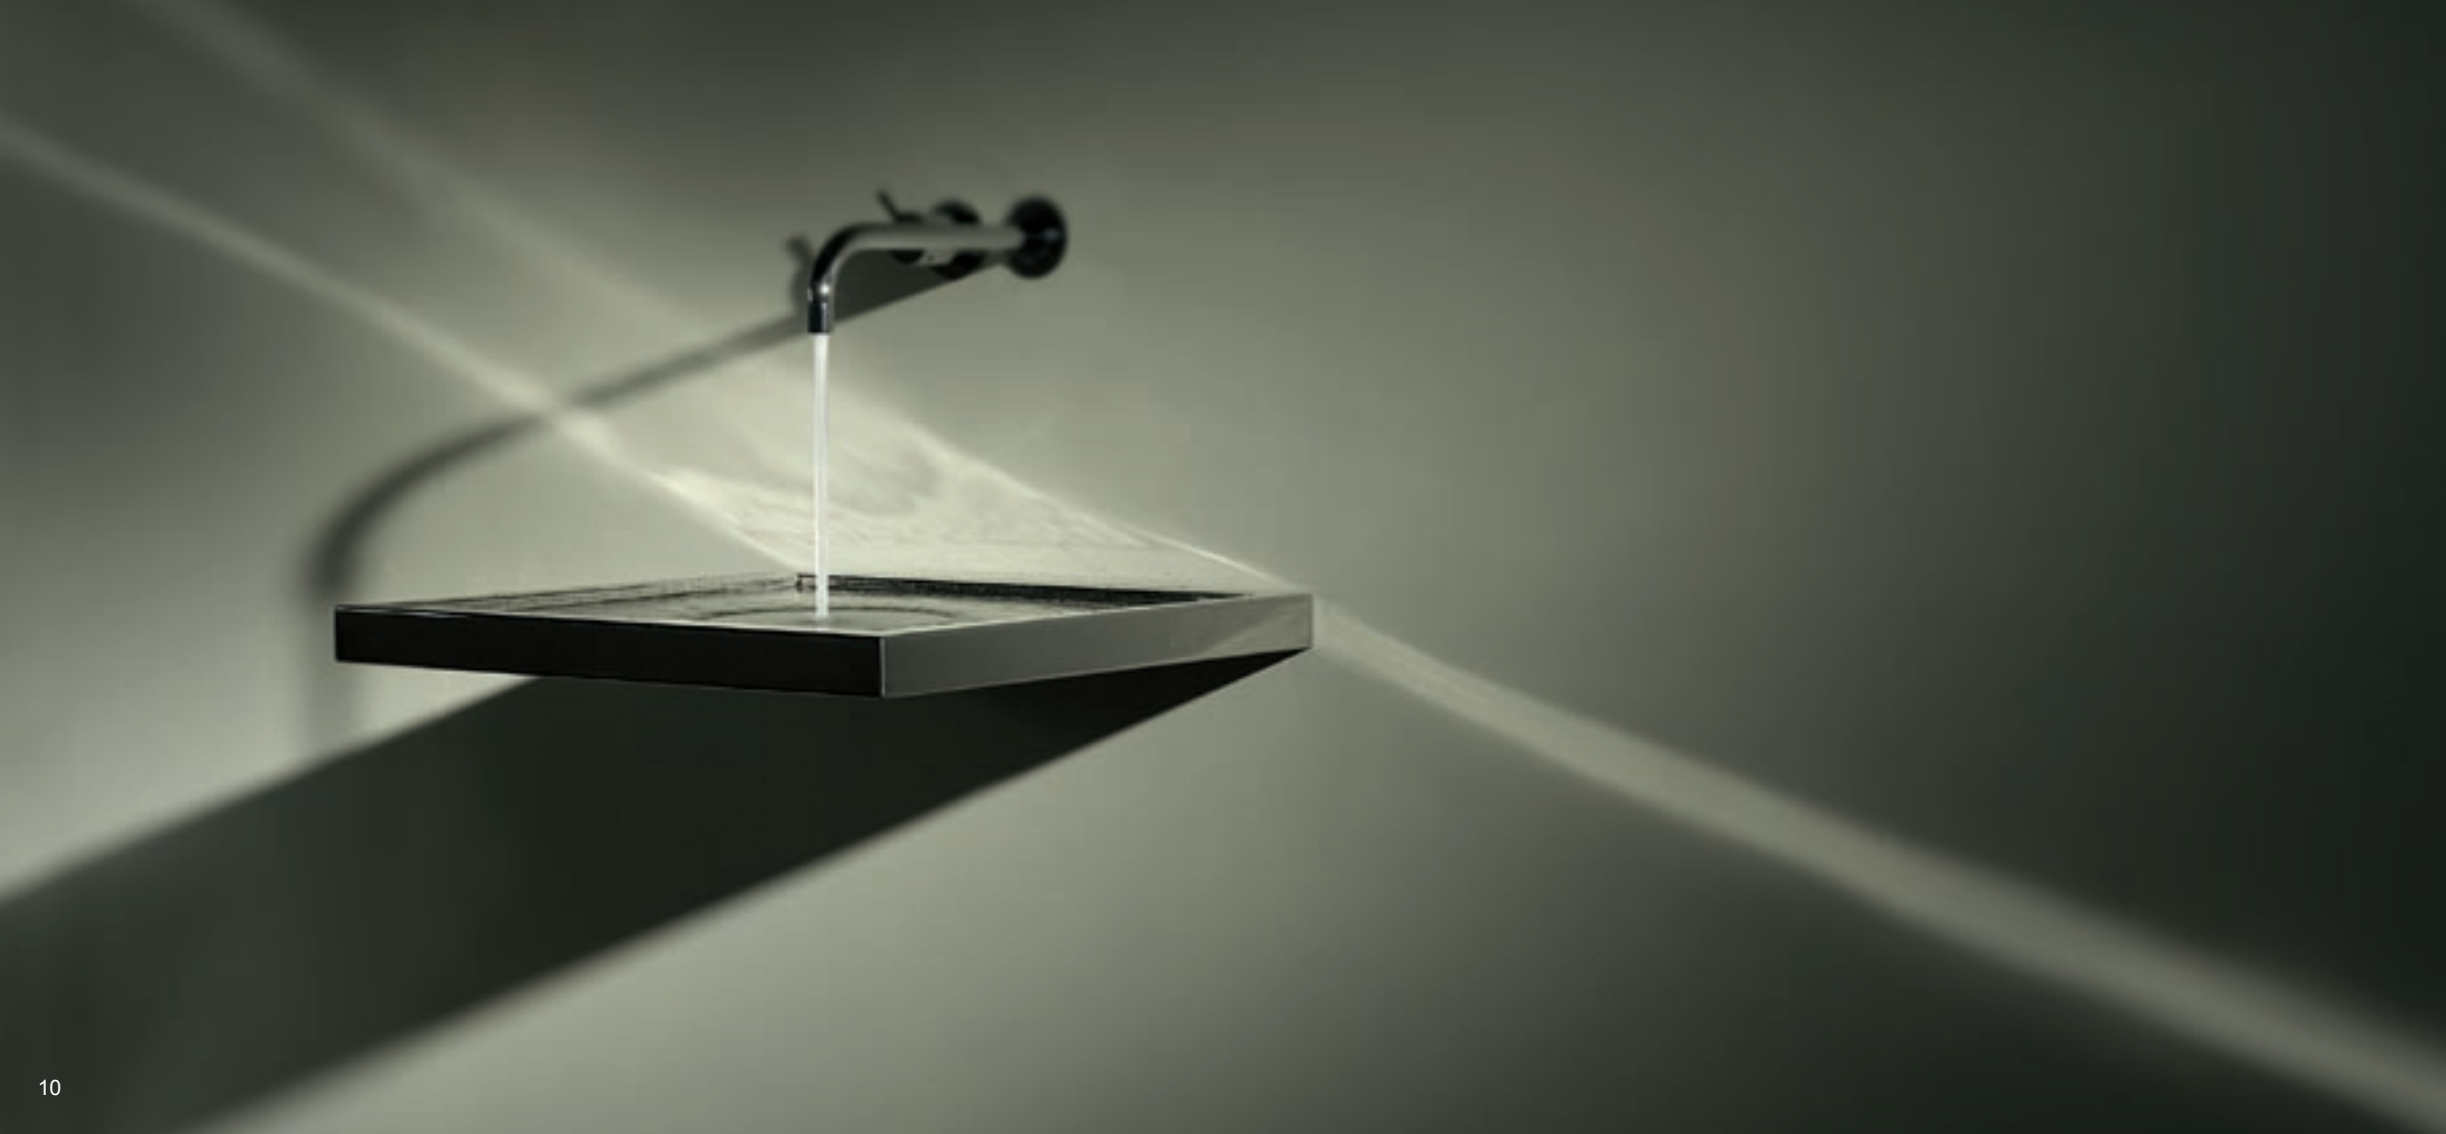

Nel suo viaggio sperimentale, Axolute si rende testimone di una rinnovata complicità tra concetto e applicazione, tra linea e spazio, acqua e superficie, nella duttilità di un sistema rivoluzionario, verso spunti estetici inediti e sorprendenti.

Axolute ci parla di se, e per farlo interpreta il linguaggio simbolico della forma, nelle sue emozioni più estreme.

In its experimental journey, Axolute explores the relationship between concept and application, line and space, water and surface, within a flexible new system towards fresh and surprising aesthetic ideas.

Axolute talks about itself by interpreting the symbolic language of the form in its most extreme emotions.

LUCE

Axolute T4 by Ares Design

T4: Formula massima del pensiero Axolute, unione seducente di energia, forza e leggerezza.

Lavabo Axolute T4 in acciaio inox lucidato con sistema di sifonatura integrato HIS®.

LIGHT

Axolute T4 by Ares Design

T4 is the highest expression of Axolute's philosophy, a charming combination of force, power and lightness.

Axolute T4 washbasin in polished stainless steel with Horizontal Integrated Siphon HIS®.

SPAZIO

Axolute SetteSotto by Ares Design

SetteSotto: Modulo e rivoluzione.

Mobile contenitore in legno laccato bianco con ripiani a giorno in materiale traslucido e luce LED diffusa attraverso le superfici.

SPACE

Axolute SetteSotto by Ares Design

SetteSotto: the revolutionary storage.

A storage unit in glossy white lacquered wood with open shelves in translucent material and concealed LED lighting.

IDEE

HIS® per Axolute

HIS® (Horizontal Integrated Siphon) è l'invenzione/brevetto internazionale del giovane imprenditore Luca Maccagnan che azzera il sifone metallico (quell'antiestetica "scultura" che pende sotto tutti i lavabi del mondo), integrandolo totalmente nel fondo dei sanitari. Grazie al sistema HIS® non è più necessario realizzare intercapedini nelle pareti posteriori o laterali ai sanitari per alloggiare il sistema di sifonatura.

La rivoluzionaria tecnologia HIS® (Horizontal Integrated Siphon) permette di ovviare all'impiego del tradizionale sifone metallico solitamente installato sotto lavabi e piatti doccia. Il sifone orizzontale integrato HIS® si ottiene durante la realizzazione dei sanitari ed è parte integrante del prodotto finito, non alterando così il profilo esterno degli apparecchi.

L'impiego di questa rivoluzionaria tecnologia permette di realizzare lavabi e piatti doccia dalle forme ricercate, riducendone gli spessori ad una misura variabile tra i 4 e i 7 cm, senza dover applicare ulteriori apparecchi di sifonatura esterni.

IDEAS

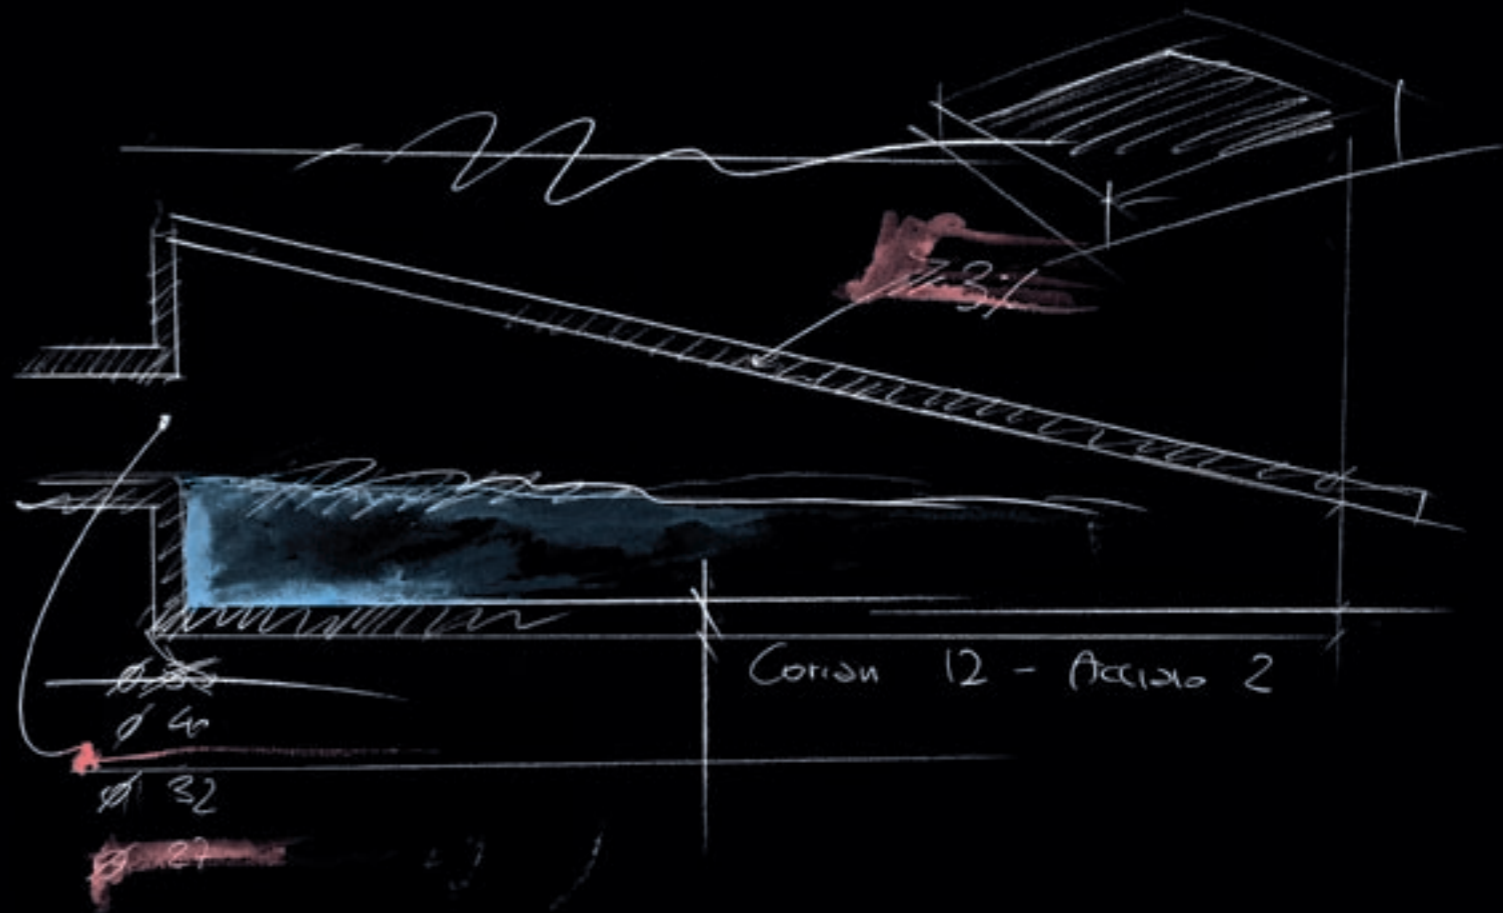

HIS® for Axolute

HIS®, which stands for "Horizontal Integrated Siphon", is the invention and international patent of the young businessman Luca Maccagnan, that removes the metallic trap (the anti-aesthetic "sculpture" which hangs below every washbasin), being incorporated into the fixture's base.

Therefore, hollow spaces need not to be arranged in the walls at the rear or at the sides of the fixtures to place any trap.

The Horizontal Integrated Siphon HIS® is entirely achieved at the shaping stage of the manufacturing process as an integral part of the finished product, hence invisible on the outside of the fixture unit.

This groundbreaking technology enables the manufacture of truly smart washbasins and shower trays in shallow depths ranging between 4 and 7 cm, without further assembly or installation of any other visible or exterior parts.

LINEA

Progetto Axolute SP by Marco Casagrande

Sp6: Essenziale, geniale, sorprendente.

Sp11: La linea SP e la libertà di vivere lo spazio.

Lavabo Axolute Sp6 in acciaio verniciato bianco con sistema di sifonatura integrato HIS®.

LINE

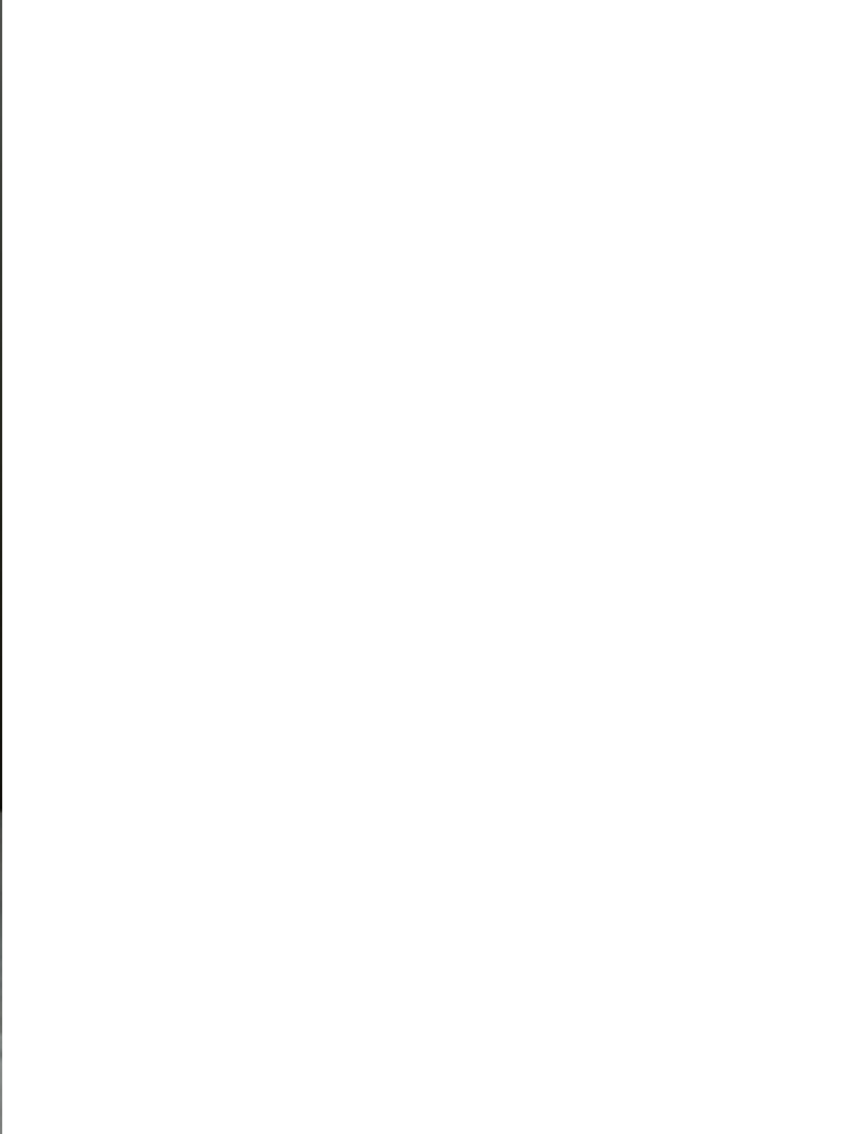

Axolute SP Project by Marco Casagrande

Sp6: *essential, smart, surprising.*

Sp11: *the Sp line and the freedom of space.*

Axolute Sp6 washbasin in white enamelled steel with Horizontal Integrated Siphon HIS®.

EQUILIBRIO

Axolute Q45 by Marco Casagrande

Q45: Immediato, acuto, intelligente.

Lavabo Axolute Q45 in acciaio verniciato bianco con sistema di sifonatura integrato HIS®.

BALANCE

Axolute Q45 by Marco Casagrande

Q45: direct, sharp, clever

Axolute Q45 washbasin in white enamelled steel with Horizontal Integrated Siphon HIS®.

MATERIA

Axolute Sp11C by Marco Casagrande

Sp11C: La linea Sp, la duttilità di un materiale plasmabile.

Lavabo Axolute Sp11 in DuPont™ Corian® bianco con sistema di sifonatura integrato HIS®.

MATTER

Axolute Sp11C by Marco Casagrande

Sp11C: *Sp line, the ductility of a shapeable material.*

Axolute Sp11C washbasin in DuPont™ Corian® Glacier White with Horizontal Integrated Siphon HIS®.

PLASTICITÀ

Axolute R52 by Ares Design

R52: Dagli abissi l'ispirazione per un progetto futurista.

Lavabo Axolute R52 in DuPont™ Corian® bianco
con sistema di sifonatura integrato HIS®.

PLASTICITY

Axolute R52 by Ares Design

*R52 draws from the depths the inspiration
for a futurist project.*

*Axolute R52 washbasin in DuPont™ Corian® Glacier
White with Horizontal Integrated Siphon HIS®.*

STRUTTURA

Axolute F7.5 by Ares Design

F7.5: Logica essenza del pensiero Axolute.

Lavabo Axolute F7.5 in DuPont™ Corian® bianco con sistema di sifonatura integrato HIS®.

STRUCTURE

Axolute F7.5 by Ares Design

F7.5: Logic is the essence of Axolute's philosophy.

Axolute F7.5 washbasin in DuPont™ Corian® Glacier White with Horizontal Integrated Siphon HIS®.

CONCETTO

Axolute H7

H7: Progetto innovatore e pionieristico, la base, per Axolute.

Lavabo Axolute H7 in DuPont™ Corian® Glacier White/Summer Sky con sistema di sifonatura integrato HIS®.

Lavabo Axolute H14 in DuPont™ Corian® Glacier White con sistema di sifonatura integrato HIS®.

Piatto doccia Axolute H7 in DuPont™ Corian® Glacier White/Hot con sistema di sifonatura integrato HIS®.

Vasca da bagno Axolute H7 in DuPont™ Corian® bianco/azzurro.

CONCEPT

Axolute H7

H7 is the starting point of Axolute's innovating and pioneering project.

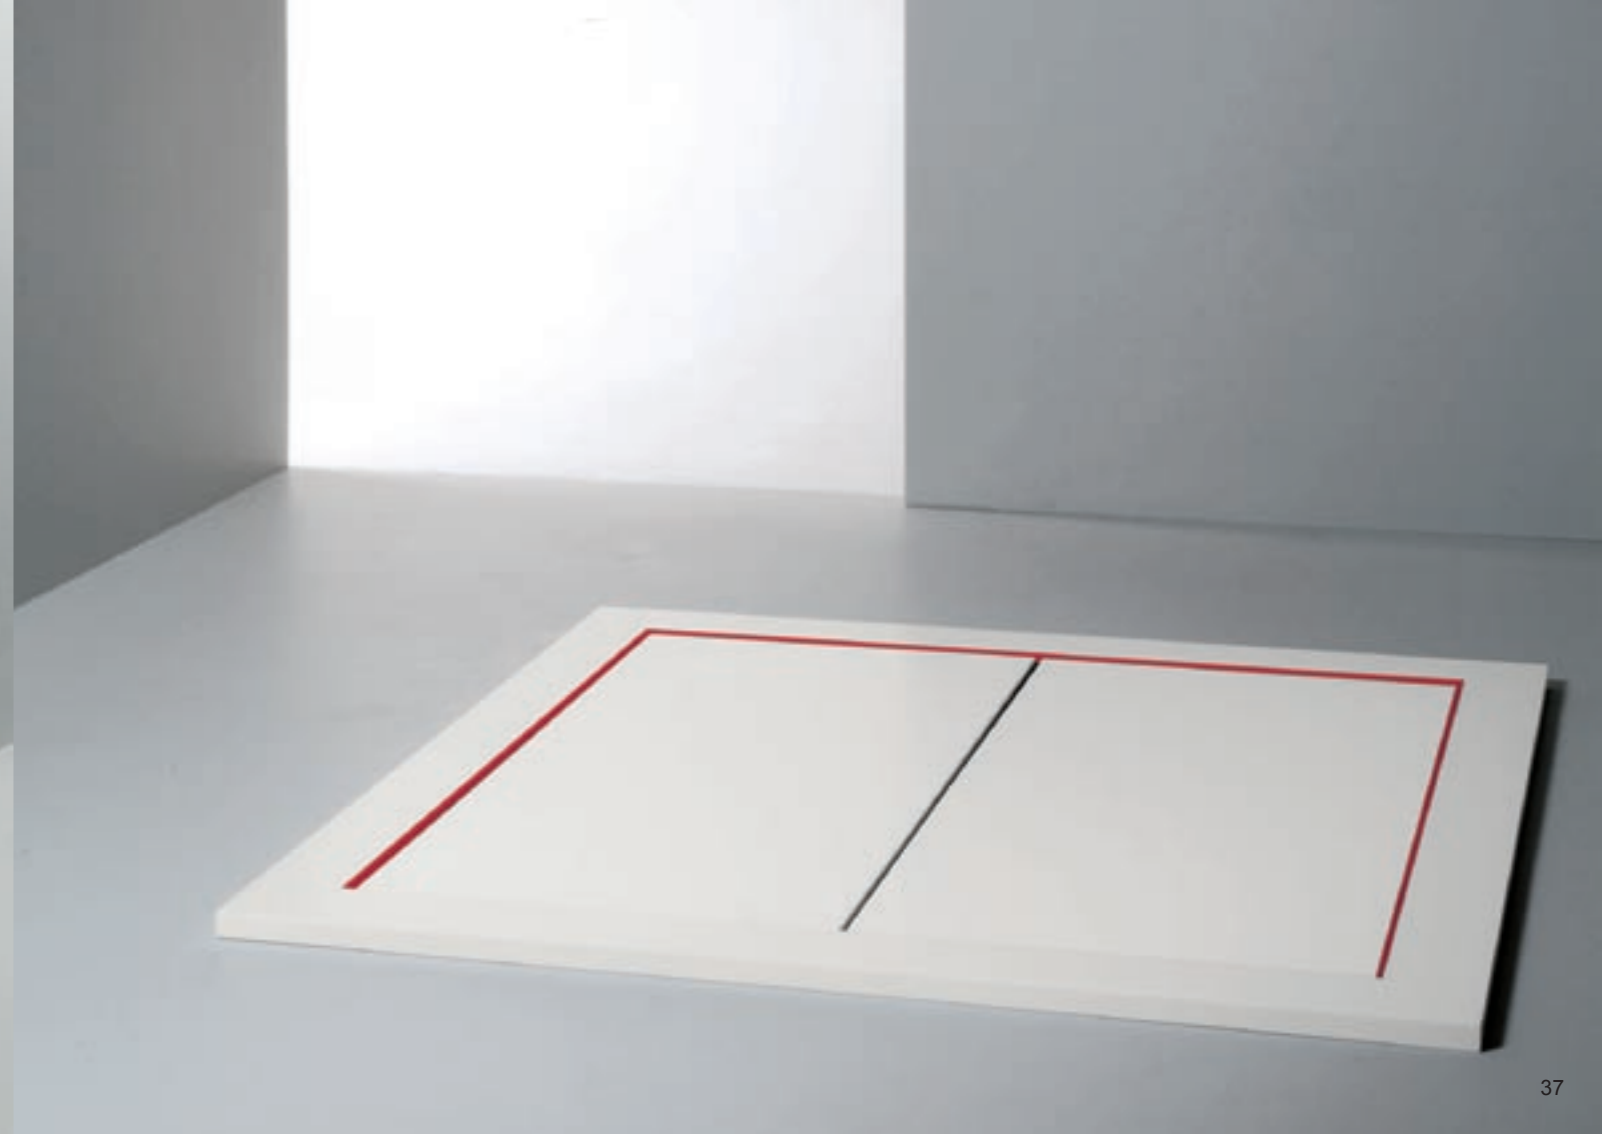

Axolute H7 washbasin in DuPont™ Corian® Glacier White/Summer Sky with Horizontal Integrated Siphon HIS®.

Axolute H14 washbasin in DuPont™ Corian® Glacier White with Horizontal Integrated Siphon HIS®.

Axolute shower tray H7 in DuPont™ Corian® Glacier White/Hot with Horizontal Integrated Siphon HIS®.

Axolute H7 bathtub in DuPont™ Corian® Glacier White/ Light Blue.
