JINGLE

ZUCCHETTI.

Negli anni '80 Zucchetti, attraverso il piccolo schermo, entrò nelle case di tutti gli italiani con un memorabile jingle, che contribuì a amplificare la notorietà dell'azienda.

Con lo stesso spirito, oggi JINGLE sarà il miscelatore che entrerà nelle case di tutto il mondo: un prodotto familiare, piacevole e rassicurante, nato da oltre 80 anni di esperienza e cultura industriale made in Italy.

In the Eighties, every home was familiar with Zucchetti's TV ad whose memorable jingle contributed to its popularity. Today, in the same spirit, the mixer JINGLE is all set to conquer every home around the world: a familiar, pleasant, reassuring product created with over 80 years' all-Italian experience and industrial culture.

Mit einem unvergesslichen Jingle erreichte Zucchetti in den 80er Jahren durch das Fernsehen die Häuser aller Italiener und trug auf diese Weise dazu bei, das Unternehmen bekannt zu machen. Mit dem gleichen Geist ist heute JINGLE der Mischer, der weltweit in alle Häuser kommen wird: ein familiäres, angenehmes und vertrauenerweckendes Produkt, das einer mehr als 80-jährigen Erfahrung und einer industriellen Kultur des made in Italy entspringt.

Dans les années 80, c'est à travers le petit écran que Zucchetti est entrée dans les maisons de tous les Italiens avec un mémorable jingle, qui contribua à accroître la notoriété de l'entreprise. Dans le même esprit, JINGLE est aujourd'hui le mitigeur qui entrera dans les maisons du monde entier : un produit familial, agréable et rassurant, issu de plus de 80 années d'expérience et de culture industrielle made in Italy.

En los años 80, Zuchetti entró en los hogares de todos los italianos a través de la pequeña pantalla, con un jingle memorable que contribuyó a ampliar la notoriedad de la empresa. Hoy, con el mismo espíritu, JINGLE será el mezclador que entra en los hogares de todo el mundo: un producto familiar, agradable y acogedor, fruto de 80 años de experiencia y cultura industrial made in Italy.
